Marvin

Express ship lead time will be 20 days from receipt of complete purchase order, all fabric (KOM & COM) and any required payment. (Standard credit terms apply)

Maximum of 25 pcs per order

Purchase order must be received by March 31st / Production required by April 30th.

Combination of Fabrics, Contrasting Welts, and Glides are available as upgrades for express ship. All other upgrades or product changes, including cushion upgrades and custom finishes, would result in a standard lead time order.

Express Ship items should be submitted on a separate Express Ship-only purchase order. All other items whether in-line or custom, must be ordered separately on their own PO and will also be shipped separately from Express Ship project items.

All products will ship FOB Valdese, NC, or Tupelo, MS.

This program may be temporarily suspended at any time due to capacity constraints at the factory.

Please contact your Sales Representative before placing your order to confirm program availability.
